

Auburn Festival of Banners 2019

The Auburn Festival of Banners purpose is to beautify our city and to showcase the talent in our community. The banners will be hung on the light posts along Midland Rd here in Auburn.

Submissions will be judged on design and theme content. This year's theme is "**Agricultural Pride**". The Auburn area is based in agriculture. American farmers wake up every day focused on their commitment to improve nutrition through sustainable agriculture. *This theme needs to be portrayed in the banner designs.*

We have 60 poles for banners, so not every banner submitted will be displayed. The banners will go up in May and fly on the Midland Rd light poles until November. There is no charge to participate! When it comes down in November, they will be available at the Auburn City Hall for their designers to pickup. The Auburn DDA is supporting the Festival of Banners.
