It shall be the obligation and sole responsibility of the person(s) obtaining the fence permit and erecting fences to determine property or lot lines and compliance with city ordinance(s). The issuance of a fence permit shall in no way be construed as a determination of the correct, valid, or legal location for the fence or prejudice in any way the rights of adjacent or abutting property owners.

**REMEMBER!**

1. Corner lots have special restrictions, please see ordinance.
2. No fence can be within one foot of the property line, without the agreement of adjoining property owners (agreement shall be filed with the clerk)
3. Parallel fences are prohibited
4. Fence posts must face inward toward the property erecting the fence ("Good side out") for privacy fences.
